# ABOUT RIVIERA: 25!

RIVIERA is not merely a sports meet – it is a legacy of unity, competition, and celebration that defines the spirit of GMKMC.

First planned and conducted in 2012 by the Batch of 2008, the event quickly became a milestone in GMKMC history, inspiring three successful editions that brought together students from various colleges to celebrate athletic excellence, teamwork, and friendship. The journey, however, faced an unforeseen pause due to the challenges of COVID-19 and other unavoidable

circumstances, creating an eight-year silence in this proud tradition. Today, that silence gives way to renewed vigor as

RIVIERA returns in its 4th edition, hosted with pride and dedication by our batch ZAPHYRONZ. This edition of RIVIERA stands as a symbol of Resilience, Reunion, and Revival, reflecting the strength to overcome challenges, the joy of coming together, and the determination to carry forward a cherished tradition.

With exciting intercollegiate competitions across diverse sports, this meet is not only a platform to test strength, skill, and spirit but also a celebration of discipline, camaraderie, and determination. As organizers, we believe the true success of

RIVIERA lies in the active involvement and wholehearted support of every participant, whose energy and enthusiasm will make this event truly memorable. After 8 years, we proudly reignite the flame of RIVIERA – as a revival of legacy, a tribute to our seniors, and a promise to our juniors. Welcome to RIVIERA

– Where Tradition Meets Triumph!
